

Let the Games Begin!

This fun and exciting Olympics teambuilding program will bring out the team spirit in everyone. Designed to take in depth teambuilding initiatives outside for a high energy, program that focuses on fostering camaraderie and communication while having fun in the sun!

Beach or Field Olympics

This upbeat and high-energy group oriented challenge, designed for all ages and abilities, will bring out community spirit in all of your team members. A combination course of new games and old favorites begins with an opening ceremony and warm-up exercises, followed by team competitions in a fun and dynamic program designed to get everyone involved. Teams will earn points while rotating through challenge stations, ultimately determining which team is the overall Olympics Champion.

Friendly and knowledgeable facilitators will provide guidelines to a series of challenges, but it is up to the team to create a strategy to complete the challenge at hand. Each team will race through identical stations, competing for the best time, most points, and best exhibit of teamwork. Depending on the desired focus and outcome, awards may be given for the highest scoring team or the fastest team. This program is designed for good-natured competition, but can be altered for a less competitive focus.

Our facilitators will keep score, motivate, and make sure each challenge is completed thoroughly. They will offer a debriefing after the program to talk about how the group worked together as a team, and how their experience can relate to work, school, and life.
