

Bike through the vineyards in Santa Barbara's Wine Country

We'll take care of all the details while you enjoy the heart of the Santa Ynez wine country, home to several very popular California vintners. This trip is a great opportunity to sample and learn about the region's best wines, as well as experience the great outdoors by bike! Each winery has its unique vintages and award winning selections. Managers and wine makers themselves often meet us during our private tastings. Winery staffs offer insight into specific blends and selections.
