

Mountains to the Shore Downhill Bike

This biking adventure is designed to show you all aspects of majestic Santa Barbara. Guests will journey from mountain peaks to the heart of downtown, ending at the brink of the Pacific Ocean. Come cruise with us on our brand-new fleet of mountain bikes!

Biking Tour of the American Riviera!

We will pick you up from your local accommodation and drive up to La Cumbre Peak at 3,995 feet of elevation. Once at the peak, guides outfit the group with mountain bikes, helmets, and gloves. Friendly and knowledgeable guides give a safety talk and riding demonstration before the biking begins.

Guests ride downhill on Gibraltar Road, a paved mountain road that winds its way into the heart of downtown Santa Barbara, while a support van follows. Guides offer discussions on natural and cultural history as we journey past the Santa Barbara Historic Mission, Courthouse, State Street, and Stearns Wharf, ending at the waterfront.

If lunch is included, our guides serve a delicious deli-spread picnic at a local park with fresh veggies and fruit, a variety of wraps and sandwiches, chips, cookies, and beverages.
