

Guided Day Hike

What better way to experience the outdoors than on a scenic nature hike! Discover beautiful waterfalls and breathtaking vistas while exploring one of Santa Barbara's many amazing hiking trails. Learn about the region's cultural history and native species. Our guides will be sure to make your day active, educational, and fun!

Explore the Trails and Enjoy the Vistas!

We will pick you up from your local accommodation and shuttle your group to the trailhead. After previewing the day, the group will be off! Fantastic views and solitude await as you trek along one of the diverse trails of California's Central Coast.

During the day, guides will offer discussions of native plants, local geology, and Native American culture. Discover the finer points of the chaparral plant community, sample edible plants, and learn about wild flowers and herbs.

If lunch is included, our guides serve a delicious deli-spread picnic with fresh veggies and fruit, a variety of wraps and sandwiches, chips, cookies, and beverages.

A wide range of options exist in Santa Barbara and Santa Ynez for guided hiking, from coastal bluffs to mountain peaks. Our knowledgeable staff can work to coordinate a hiking trip that best fits your goals.
