

Photo Scavenger Hunt Teambuilding Program

This exciting program will allow your group to explore the beautiful Santa Barbara Waterfront while growing closer as a team! The group is divided into smaller teams which must work together in order to solve clues, photograph hidden landmarks, and complete teambuilding challenges. Points are earned with each group photo taken at designated locations and team building challenge completed.

It's a Race to the Finish!

Teams will visit historic sites, beautiful vistas, and local hot spots as they dash along the waterfront of Santa Barbara to solve clues, earn points, take photos, and complete challenges in the attempt to win the Photo Scavenger Hunt. This high-energy, team building activity fosters innovative thinking, shared leadership and time management in a blend of competition and collaboration. Along the journey, groups will also learn about the geography, cultural and natural history of the city of Santa Barbara.

Participants meet at Chase Palm Park, where knowledgeable facilitators begin the day by reviewing the goals and rules of the game. Teams will receive all the necessary equipment for the day, including interactive clues to locate each challenge station.

Teams will be competing for the most points earned, with penalties and/or bonuses incurred at each challenge station. In order to succeed, participants will need to think strategically, build trust, and manage limited resources intelligently. Facilitators debrief with the entire group afterwards to relate this experience to work, school and life.
