

## Surf Lesson

The California coastline offers destination surf spots for the expert and novice alike. The Santa Barbara Adventure Company's surf lessons provide a great foundation to this exciting sport, focusing on the fundamentals of ocean safety, reading the waves, paddling, catching waves, and riding in style!

### Learn to Ride the Waves!

Enjoy fun in the sun with this California classic. Guests meet their instructors at the beach and are outfitted with wetsuits and surf boards. Knowledgeable guides lead a safety talk and surfing demonstration on the beach first, then help participants catch waves in the water. Instructors choose surf sites based on the current swell and tide conditions, finding the best breaks for successful learning.

If lunch is included, our guides serve a delicious deli-spread picnic with fresh veggies and fruit, a variety of wraps and sandwiches, chips, cookies, and beverages. Relax on the beach before heading back out on the water!
