### Come Taste Cupcakes and Wine in Santa Barbara's Wine Country!

If you like tasty treats and wine, then you are going to love this Santa Ynez tour! This wine tour features a delicious sampling of wine infused cupcakes from *Enjoy Cupcakes* in the heart of Santa Ynez wine country. Some of our favorite cupcakes include Pomegranate Mango Chardonnay and Chocolate Blackberry Syrah. The first of its kind, this wine tour has been featured on NBC LA, NBC San Diego, All Things Cupcake and Evelyn Kanter's Car & Travel.

Guests will be picked up by an air-conditioned van at a prearranged meeting spot. The guide will preview the day and head to the first winery in the Santa Ynez Valley. Once there, guests will enjoy wine tastings, discussions of winemaking and may visit with a winemaker or tour a barrel room. Served in the shade at a favorite winery, lunch is a delicious spread with lots of options including gourmet premade sandwiches, kale salad, fresh fruit, veggies, chips, and cookies. Cold beverages and bottled water will be provided. Guests visit 3 local wineries, each offering 6 or more tastings.
